FUNERAL DIRECTORS

Orders of Service

An Order of Service assists the smooth running of the funeral, as well as being a unique and special keepsake for all your family and friends to remember the person who has passed away. Even those unable to attend the service will be able to privately say goodbye.

Should you wish to produce an Order of Service for the funeral of the person who has passed away, we can help you create and produce a high quality booklet for the ceremony. Your Order of Service can include anything you would want; maybe that is a hymn, reading or a favourite poem, or perhaps a photograph, or something that you feel the person who has passed away would have liked to have been remembered for.

Within this brochure, you will find a collection of designs. These have been presented to showcase the most popular choices that have been selected by our clients over a number of years, and include a range of interests and font styles that make them attractive.

Please feel free to discuss your requirements with our staff. They will be pleased to guide you through the process and show the styles that are available.

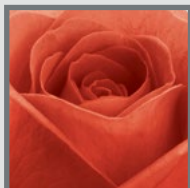

All names, dates and images used in this brochure are fictitious and have been used for display purposes only. People in photos within this brochure are actors. Any resemblance in the brochure to real people (either alive or deceased) is entirely coincidental.

“We would like to create a design that reflects Stephen’s love of flying.

We have a photo of his beloved glider, but it’s on the ground. Can you make it look like it’s flying above the clouds?

We like the ‘Over The Rainbow Design’ from the brochure - can this be used as the base and the glider added?

Hopefully it’s possible to combine these elements and make an order of service Stephen would have loved! Many thanks.

”

If you wish to see more examples of bespoke style designs, ask your arranger to see our ‘Something Different Brochure’ that features many more order of service designs.
