Children’s Funeral Brochure Contents

This book contains an overview of the services we provide for arranging funerals for children and young people who have not yet reached their 18th birthday at the time of their passing. While it does not encompass all the services outlined in our adult services brochure, your funeral arranger will gladly discuss any alternative options you may be interested in.

Our team of professionals are on hand to offer whatever support you need at this most difficult time.

Funeral Costs

Children's Funeral Fund (CFF)

For funerals of children who have not attained their 18th birthday on the day of death and still born babies born on or after the 24th week of pregnancy where the burial or cremation takes place in England on or after 23rd July 2019 the Government will make the following payments:

Coffin	Up to £300.00 towards the published price
Cremation fees	The standard published fee
Medical fees	Any applicable fees for Doctors, Medical Examiner and Medical Referee
Cemetery fees	The purchase and interment fees for a selected grave together with the right to erect a memorial but not the memorial itself
Gravedigger fees	The charge for the gravedigger when not included in the cemetery fee above

Third Party Costs

In addition to the funeral directors services third parties will supply some of the essential parts of the funeral. These include (as and when applicable) the services of the cemetery or crematorium, doctors, celebrant or minister, florist, newspaper, printer, stonemason etc.

Some of these charges will be claimed from the CFF by either the third party or by Jennifer Ashe & Son on your behalf. Examples are:

- Crematorium fee usually paid by CFF
- All medical fees (where applicable) usually paid by CFF
- Cemetery fee usually paid by CFF
- Celebrant's fee up to £200.00
- Other fees will be quoted as they arise

As the third party charges vary so much our funeral directors will give advice on an individual basis.

Estimate, Payment & Invoicing

Every funeral arranged by Jennifer Ashe & Son Funeral Directors will have a written account statement prepared in advance by an experienced funeral arranger, this will need to be signed, along with our contract, by the person making the decisions and ultimately responsible for paying the invoice. The contribution towards the cost of the coffin of up to £300.00 will be claimed directly from the CFF and will be deducted from the amount payable on the invoice. As part of this process a discussion will take place concerning the funding of the funeral.

Payment based should be made in advance of the funeral date and the final invoice will be sent approximately one week after the funeral.
